

Kindle Agreement

Child's Name: _____

Grade and Homeroom: _____

The above named child would like to borrow a Kindle from the Saint Helena School Library.

These terms need to be followed:

- The Kindle must be returned to the Library in the condition it was received.
- No books may be purchased while in your possession
- If there is loss or damage to the Kindle, it is the responsibility of the person using the Kindle to replace it with a new Kindle.
- You need to return the Kindle directly to the school library – you may not pass it on to another child while borrowed in your name.

I understand and agree to the terms of borrowing a Saint Helena School Kindle.
