

SCIENCE TUESDAYS

with Mrs. Janet Smith

Join me after school for hands-on, fun science/STEM activities geared for students in grades 3, 4, and 5.

Cost for each session is \$80.00 per child with each additional family member paying \$70.00.

Session 1: 3:00 P.M. to 4:15 P.M.

October 9, 16, 23, 30

Simple circuitry (2 sessions): Construction of an Artbot

Buoyancy: *A new take on the three little pigs' dilemma*

Sound Waves/Vibrations: *If a tree falls in a forest when no one is around, does it make a sound?*

Session 2: 3:00 P.M. to 4:15 P.M.

November 6, 13, 20, 27

Dissection of an owl pellet (2 sessions): *What's for Dinner?*

Mass and Center of Balance: *Why can't I win at that boardwalk game?*

Aerodynamics: *The reindeer are on strike and Santa needs your help. How will he get to your house?*

SCIENCE TUESDAYS SIGN-UP

Please place this entire sheet into an envelope and return it to the school office as soon as possible.

In order to conduct each session, I will need a minimum of 15 students and a maximum of 20. Admittance is on a first-come, first-serve basis. If school is cancelled, sessions will be made up. Sessions will not be made up due to a student's illness.

Important: The pick-up times are 4:15 for each session. Any child not picked up by 4:25 will be taken to CARES and you are responsible for any cost incurred.

Parent Signature: _____

Email: _____ Phone: _____

Child's Name: _____ Grade: _____

___ This child is a sister/brother to someone already registered, and the \$70.00 fee applies.

Please check the session(s) for which you are enrolling your child.
