

On behalf of the entire Saint Helena School family , we would like to sincerely thank you for your generous donation to the 2018 Walk-a-thon. The Walk-a-thon is a special day where our children can get outside, walk with friends and family and, enjoy donuts of course. While the students love it, it is also a key fundraiser for the SHS Library. This year, proceeds will go to enhancements to the library including a Readers Corner for our PreK to 2<sup>nd</sup> grade readers. A new rug, bean bag chairs, new books and shelves that will help will make reading a friendly and special place for our kids to enjoy their favorite stories. For the older children, new books, a new rug at the entrance and an American Flag will enrich and brighten up the library that they have grown up with through the years.

Because of your support, we are proud to announce that SHS has raised **\$5,853.00** for this new project.

Thank you so much for your support!
