

2019 Art Camp

Week One: June 17th – 21st

We will find the fun in the fundamentals of art as we explore different mediums, techniques, and genres. We will closely examine some wonderful 20th century art and try to understand what the artist was trying to convey to the viewer. We will then take that knowledge and recreate that same feeling in our own art. This camp is designed for all talent levels in grades K-8.

Cost: \$175.00

Week Two: June 24th – 28th

This second week will focus on the decorative arts and the Arts and Crafts Movement. Each day we will research, sketch, and create a new piece. We will explore wearable art, such as t-shirts, tote bags, and scarves. We will also try our hand at home furnishings such as, candles and soaps. We will use various techniques such as stamping, batik, and different dying processes. No experience is necessary just a desire to create. Grades K-8

Cost: \$200.00

Both camps will be held in the Art Room and outside when weather permits, from 9:00 AM till 12:00 PM. All materials will be provided. The camps are taught by Barbara FitzPatrick, a professional artist and teacher.

If you are interested please return the bottom portion with your remittance. There is a \$25.00 discount if you are registering for both camps.
