

# SCIENCE TUESDAYS

with Mrs. Janet Smith

Join me after school for hands-on, fun science/STEM activities geared for students in grades 3, 4, and 5.

A snack will be served.

Cost for each session is \$80.00 per child with each additional family member paying \$70.00.

Session 1: 3:00 P.M. to 4:15 P.M.

October 8, 15, 22, 29

Topics will include osmosis, simple machines: levers, mini bots, mazes/magnetism, and friction.

**Two more sessions will be offered throughout the year.**

## SCIENCE TUESDAYS SIGN-UP

Please place this entire sheet into an envelope and return it to the school office as soon as possible.

In order to conduct each session, I will need a minimum of 15 students and a maximum of 20. Admittance is on a first-come, first-serve basis. If school is canceled, sessions will be made up. Sessions will not be made up due to a student's illness.

**Important: The pick-up time for each session is 4:15 inside the rec center door. Any child not picked up by 4:25 will be taken to CARES, and you are responsible for any cost incurred.**
