On Friday, March 27, 2020, St. Helena's school will host our largest fundraiser of the year, "Denim and Diamonds". It is our hope that you will support this effort by making a donation-in-kind to this event. This annual event, our largest parent-driven fundraiser, and is crucial to the School's fundraising effort.

Proceeds from the Social will benefit St. Helena's Safety and Security Fund.

Beyond the knowledge that your donation will help make our school a better place there are several benefits to making a contribution:

1. Saint Helena's families are extremely loyal to those businesses that contribute and support our School.
2. A donation is a wonderful opportunity to thank past clients and reach out to new ones.
3. Each company and donation will be displayed in some marketing capacity which will be shared with several of our community members.
4. Saint Helena School is a non-profit institution so all donations are tax deductible.

We thank you in advance for considering a donation to this special event. With your generosity, we will maintain St. Helena's School distinction as a premiere Pre-Kindergarten to Grade 8 school.

Warm regards,
Denim and Diamonds Committee
