

# SAVE THE DATE

# May Fair

Friday May 9, 2025

## What is May Fair?

*May Fair is our all day fun fair hosted by Saint Helena Home & School Association. It is a large school fundraiser, with funds raised going towards our recreation programs.*

## What's happening?

*The morning consists of games, inflatables, face painting, competitions, and more! After a special lunch available by pre-order, the students attend Tombola in the afternoon, a raffle basket event hosted by one of our fantastic teachers. It's a full day of fun!*

## Who attends?

*All students PreK3 to 8th grade participate in May Fair. Parents of our younger grade students (PreK3-Kindergarten) are welcome to participate, but for older grades, parents must volunteer in order to be present.*

## Why volunteer?

*To join in the fun and make sure our students have a great day! The more volunteers we have, the more games, inflatables, stations we can offer.*

**NEW THIS YEAR: You choose the May Fair attractions and games!**

**May Fair gets bigger and better each year, but we can't do it with our parent and grandparent support! See the [SignUpGenius](#) for options of games, contests, and activities. Please volunteer to assist with your preferred activity for May Fair.**

**Any games that do not have volunteers signed up, we will not rent for MayFair- so if you think the kids would love it, please sign up to work it!**

---

*If you have any questions or concerns about your ability to volunteer, please contact Christie Viscanti- [christie.viscanti@gmail.com](mailto:christie.viscanti@gmail.com). All volunteers must have their clearances to assist at May Fair.*

*Thank you for supporting this great day for our SHS students!*
