

The planning for this year's John Shapiro's Superheroes 5K race is well underway! It is our hope that you will be able to join us to provide the much-needed support to local families struggling right now with a child who has cancer. The struggles facing those whose child is undergoing cancer treatment are beyond devastating and they truly need our support now more than ever!

John Shapiro's Superheroes 5K is a tribute to the memory of a courageous little boy who lost his battle to brain cancer in August 2011 shortly after finishing his Kindergarten year at St. Helena's. John touched and inspired so many lives both at SHS and throughout our community with his engaging and heartwarming approach to life, leaving lasting memories with all those he encountered.
