## FAQs

### **How can I receive reduced tuition rates?**

In order to be eligible for reduced tuition rates, your family must be registered at St. Helena Parish. The reduced tuition is available to families who regularly attend Mass and have contributed at least \$780 in the *previous calendar year* (by December 31). Contributions must be made in a verifiable method, through the use of either Sunday envelopes or a personal check. If Sunday offerings did not total \$780 by December 31, 2025, then you will be assessed the full tuition rate. Exceptions may be made for new families that have moved to the area. If a family is transferring to St. Helena from another local parish school, they will be assessed the full tuition rate for the first school year and may qualify for reduced tuition in subsequent years if all conditions are met.

### **Is Financial Aid available? YES!!**

Nearly all aid is granted through Business Leadership Organized for Catholic Schools (BLOCS). All applications for financial aid are made through FACTS Grant & Aid Assessment at:

**<https://online.factsmtg.com/aid>** FACTS will determine if a family is eligible for EITC scholarships. Financial assistance directly from the Parish is limited, but in cases of severe hardship, the Parish will provide according to its means. Emphasis on the amount of aid will be considered for families who have been active in their support of the parish through **regular Mass attendance**.

**Financial aid is not a loan.**

**Is there a reduction to Tuition & Fees if I elect to pay in full by August 5<sup>th</sup>?**

Yes, if your full payment is made in FACTS by August 20<sup>th</sup>, FACTS will deduct \$200 from the total tuition.

**Are Application/Enrollment Fees refundable?**

Application fees are not refundable. Enrollment fees will be credited towards the tuition balance if the student remains enrolled and attends St. Helena in the next term. Enrollment fees are not refundable if a student withdraws after enrollment. Enrollment late fees are not refundable or transferable to the next school year.

**Other Financial Policies are as follows:**

- Enrollment is understood to be a full year contract. Refunds for withdrawal will be considered on a case-by-case basis.
- Enrollment is not complete until you have fully completed the enrollment packet and have set up a tuition account with FACTS that is linked to your banking account for automatic payments.
- Report cards, diplomas and recommendations will not be issued unless all financial obligations are fulfilled. Participation in graduation activities will not be permitted if tuition account is in arrears.
- All balances must be paid in full by the final day of the school year.
- If more than one party will be responsible for tuition, both parties **must** have separate FACTS accounts, which denote the appropriate percentage to be paid by each party. You will need to create one Enrollment Packet, list two separate households, and create two individual FACTS Tuition agreements.
